

GLOW UP MANCHESTER

17 June - 19 June 2025

GLOW UP MANCHESTER

Hello and thank you for signing up to the Glow Up Manchester programme.

We're all very excited about the event and are looking forward to meeting you and welcoming you to our campus. Please take some time to read the information in this booklet in order to be prepared for the event.

The programme will last for three days and takes place at our University Centre in Media City. You'll meet people your age from a variety of schools across Greater Manchester, learn more about higher education, speak with our brilliant Media Make-up lecturers and learn what it's like to be a university student from our student ambassadors.

MEET THE TEAM

Paris Warburton

I'm the HE Outreach Officer at Future Skills for Greater Manchester Higher. I'm from a Media Make-up background so it's my passion to ensure that the young learners of Greater Manchester can see the potential in this ever-growing industry and what's available for them to progress after school. This summer school has been organised by me and industry professionals to ensure that all students have an amazing time and finish the summer school feeling inspired.

Miki Evue

I'm the Head of Department here at Salford City College. My background in industry is across all areas including TV, fashion and theatre. I graduated in Specialist Make-up at West Thames College (Kingston University London). I will be judging your looks on the last day of the summer school. I'm excited to work with you to bring your catwalk to life.

MEET THE TEAM

Atinuke Adeoti

I'm a Student Ambassador who studied Level 6 BA (Hons) Media Make-up for Fashion at the University Centre, Salford City College.

Lina Khalid

I'm a Student Ambassador who studied Level 5 BSc (Hons) Psychology at the University Centre, Salford City College.

15:00	Transport - students depart

Make-up fashion show and graduation

On the last day of summer school, there'll be an end of summer school make-up fashion show for students to showcase the work they have created over the three days at summer school. Family and friends of the students will be invited to attend and support. This'll also be a graduation for the students from Glow Up Manchester summer school and will be a celebration of their work and efforts. Food and refreshments will be available for all guests.

FURTHER INFORMATION

TRAVEL

Travel will be arranged to collect you from your school either by coach, or alternative transport if applicable. You'll also be returned to your school at the end of each day, with the programme finishing at 15:00 on Future Skills site. The time you arrive back at your school will depend on traffic and how far your school is from our campus.

FAQs

Will the programme be social?

It's normal to be nervous about a new experience and meeting of new people. We'll be making sure that everyone is as integrated as much as possible, and has the chance to make new friends along the way.

Will there be WiFi?

Wifi is available on campus.

Can I contact my parents/carers?

Although we'll ask phone use to be at appropriate times, you'll always be able to reach home, and your parents/carers will always be able to contact you.

How hard will it be?

While the programme aims to introduce you to study in higher education, all our workshops are tailored to your age group. Plus, if you don't know much about higher education, we'll be running a short workshop to give you an overview of your options.
